

5 EQUITY & INCLUSION WORKSHOPS

We tailor our training and workshops to suit individuals and organisations looking to mature and transcend cultural practices and behaviours.

1. Toward A Radical Inclusion

Reflective and result-based training for executives and senior leaders who are hungry to shift the dial on equity and inclusion and set a legacy that transcends their tenure.

2. DEI: From Policy to Impact

This course will guide, coach and equip you with tools to lead your organisation through a best practice framework for DE&I policy and practice.

Ideal for Diversity and Inclusion Leads, Heads of HR and/or Directors People and Culture.

3. Embedding Lived Experience in Social Service Practice

A workshop for social service practitioners to meaningfully embed lived and living experiences of service users to inform and transform service design, delivery and evaluation.

Designed for community and social service frontline teams and evaluators.

4. Leading with Impact

This is a highly effective session for senior and middle managers to come out of the busy operational weeds and become more impactful strategic leaders.

5. Unpacking Power and Privilege

Have you been looking for a safe space to unpack your biases, understand the overlapping forms of discrimination, and move to the right side of history as an active ally. This workshop is for you.
